Benefits of Attending This Exclusive Workshop:

1. Hear directly from local Singapore-based single family office and top multi-family office executives on how to operate, grow, and invest capital as a family office.
2. Learn more about how to structure co-investments, source deals, and allocate capital across the region. You will see first-hand what criteria family offices in Singapore consider while selecting fund managers.
3. Connect face-to-face with ultra-wealthy families, family offices, and industry peers to share resources and discuss opportunities.
4. Discover how you can take advantage of the rapid growth of the family office industry, and network with ultra-wealthy families, single family offices, and multi-family offices.

Workshop Venue: The Raffles Hotel, Singapore

Exclusive Resources FREE with Admission:

30 Hours of Audio Interviews with Family Office Executives: Each participant is given free, lifetime access to the Qualified Family Office Professional (QFOP) training platform, which includes more than 300 video modules and over 30 hours of audio interviews with top family office executives from around the world. (Alone, this resource is worth \$1,000.)

The Family Office Book: Each participant will be given a free copy of The Family Office Book: Investing Capital for the Ultra-Affluent to reference during the event and take home.

What are Others Saying About our Workshops?

“Attending the Family Office Workshop was an extremely valuable experience that took the informational content of his book (“The Family Office Book: Investing Capital for the Ultra-Affluent”) to an entirely new level.

Richard’s vast experience and exposure to family offices worldwide can best be appreciated in the personal interaction of a seminar. Information is exchanged in a manner that protects the confidentiality and privacy of all family offices involved”.

- Karen Owensby, President, Wealth Management Associates, Inc.
